About Storia Interiors & Design

Are you searching for an interior designer near me? Then your dream might come true thanks to Storia Interiors & Design. If you have a vision for your house, we can assist you in finding the ideal furnishings to make it a reality. Our team is made up of stylists and designers that are enthusiastic about transforming peoples' visions for their ideal homes into stunning realities. With the aid of our carefully chosen collection of furniture, lighting, art, and more, our staff is here to help you find the finest in contemporary design. Our choices are carefully chosen by our staff of skilled stylists who know what goes well with what and what works best in your house. From tiny area-alone design projects to whole-house design projects, we offer a range of design packages. Each package includes custom furniture options, artwork suggestions, and a thorough product list listing all items for approval/decline before purchase. Dial us now!
